Rediscover Life
John 20:30-31

Rediscover Life

1. Need for Endless Life

- Man received the breath of life “physical vitality” *movement, animation, consciousness, thought*
- God created man to live forever
- sin destroyed life, now & forever
- man lives in a decaying body with no spiritual life
- physical vitality is short
- soon, there is no life

Rediscover Life

1. Need for Endless Life

- God made a way to breath life back into man - to have physical vitality forever
- John 1:4 In Him was life, and the life was the Light of men.
- 1Cor. 15:45 So also it is written, "The first MAN, Adam, BECAME A LIVING SOUL." The last Adam became a life-giving spirit.
- Book of John is written that you might believe Jesus is the Christ, the Son of God

Rediscover Life

2. Need for an Enriched Life

- Endless life becomes more “many more signs did Jesus perform in the presence of the disciples”
- Emptiness becomes full “and while believing, you might have life in His name”
 - running full on empty
 - meaningless becomes meaningful
- Halfhearted life becomes dynamic “might have a dynamic life”

What Should I Do?

- Man needs to experience endless life. Jesus is the life-giver. When faith in Jesus merges into life, vitality of life is forever
- Believers need to experience a rewarding life - more than just vitality forever. When faith merges into vitality, life becomes more
